PLEASE JOIN US AT THE SAVVY EXPOS TO:

- Hear about prevention strategies and recent trends in youth substance abuse • Share your knowledge
- Connect with others in your area • Review available programs and resources

You play an important role educating and safeguarding youth and adults. On behalf of the Office of Governor Bob McDonnell, we invite you to attend a SAVVY Expo and join us as a SAVVY partner.

The expos will feature speakers and exhibitors sharing the most current information about substance abuse and prevention, spotlighting: bath salts, synthetic cannabinoids, prescription drug abuse, alcohol, inhalants and other commonly-abused substances. Test your SAVVY IQ, pick up dozens of ideas for working with teens, network with representatives of: PTAs, schools, health professions, law enforcement, first responders, community coalitions, elected officials, government agencies, youth advocates, community service boards and others. Refreshments, prizes and take-aways too! Please visit SAVVY VA on Facebook for updates about the program and exhibitors. No pre-registration is necessary.

Many thanks,
